ITEMS FOR DISCUSSION

The Public Hearing was to hear input into the proposed Community Standards Bylaw.

Mayor Hovde stated:

“The purpose of tonight’s meeting is for council to hear those who came and wish to state their opinions in favour or opposed to the Community Standards Bylaw. Council will consider your input and make the required changes to the bylaw prior to 2nd and final reading in future Council meetings.”

The Community Standards Bylaw passed first reading at the Regular Meeting of Council on August 21, 2018. The Notice of Public Hearing was posted on Facebook and the document has been made available on the Village website.

To date staff have not received any feedback about this proposed bylaw.

Each person may speak once either in favour or against the proposed Bylaw 2018-03 Community Standards Bylaw for a period of up to 5. When you do speak please state your name before you begin.”

Mayor Hovde then asked on three times:

“Is there anyone who wishes to speak in favour of the Community Standards Bylaw?”

There were no responses from the audience.

Mayor Hovde then asked:

“Is there anyone who wishes to speak against the Community Standards Bylaw?”

Is there anyone who wishes to speak against the Community Standards Bylaw?"

Resident **Bruce Campbell** spoke about the bylaw giving the ability to make life difficult if everything is enforced. One example is a section about missing shingles. There are at least two examples of that right now. In Calgary, people can just call a complaint in online.

Resident **Gregory Low** indicated that he felt enforcement would be an issue. There was ambiguity with the process and discretion is left to the Community Peace Officer.

Mayor Hovde then asked two more times:

"Is there anyone who wishes to speak against the Community Standards Bylaw?"

There was no response
