3. Municipal Climate Change Action Centre Grant application

Suggested Motion: Motion to authorize the CAO to sign a conditional contract with the successful vendor to support a Municipal Climate Change Action Centre grant application for a solar farm.

There is an opportunity to apply for a grant that would cover off a large portion of a solar farm that would be used to offset the electrical use of municipal buildings in the Village. The grant is very time sensitive. The Village is required to sign a conditional contract for the work to apply for the grant. The contract will allow the Village to confirm funding arrangements prior to proceeding. The opportunity has been posted to comply with the bid process outlined in the MGA.

4. Adjournment.
